MOBILIZE!

- Write, produce, direct, edit and/or score your own original short film (under 2 minutes)
- Learn how - with tutorials and workshops taught by Green Shorts crew and hosted at Samy's camera
- Win a MacBook from Samy's Camera and other great prizes
- Winners will be featured at a special screening at the Lobero Theater on April 6th and aired on television
- Films submitted by March 2 will be eligible for screening in the SLO International Film Festival

The Green Shorts Film Festival is an annual film contest focused on saving our planet and being green. This year the contest theme is "MOBILIZE!" - the same as the Earth Day theme. We want your compelling and pragmatic solutions and entertaining commentaries on energy independence, sustainability and a green future.
